BRING MATH & SCIENCE TO LIFE!

For more than 40 years, Salvadori has been providing direct services to students in all 5 boroughs with programs that support instructional goals. Multi-day in-school and after-school programs deliver collaborative, hands-on, project-based learning through the buildings, bridges, parks and communities that surround your students’ lives.

**Salvador Programs:**
- promote college and career readiness
- engage students through project-based learning (PBL)
- use the built environment as a vehicle for learning
- employ collaborative problem solving that involves all participants

Since kids are working and doing with their hands, they’re owning their education.

~ Paul Neenos, Senior Community Schools Director, Center for Supportive Schools

**Salvador is Affordable:**
- perfect for grant funding
- refer a new school, both schools receive 5% off
- multi-program discounts
- partner with another school in your building

**Remember, Salvador Programs:**
- support differentiated learning
- improve student comprehension
- embrace English Language Learners
- engage students with disabilities, IEPs, paraprofessionals, etc.

Salvador’s residencies include all materials, instruction, teacher pre-planning sessions, grade-specific curricula, and assessment. Negotiable terms include: number of classes, length of sessions, grade range, etc.
