BRING MATH & SCIENCE TO LIFE WITH:

SALVADORI CENTER

We provide multi-day in-school and after-school STEAM education programs to students in all 5 boroughs. Our programs support instructional goals and deliver collaborative, hands-on, project-based learning through the buildings, bridges, parks and communities that surround our students’ lives.

Salvadori STEAM Programs:
- promote college and career readiness
- engage students through project-based learning (PBL)
- use the built environment as a vehicle for learning
- employ the 4 Cs: Collaboration, Creativity, Critical Thinking, and Communication
- support differentiated learning, ELLs, students with disabilities, IEPs, etc.
- improve student comprehension and a sense of relevance
- include all materials, instruction, teacher pre-planning sessions, grade-specific curricula, and assessment

NEW! REMOTE LEARNING
Salvadori’s remote learning develops the 4 Cs: collaboration, communication, critical thinking, and creativity!

We now use:
- Google Classroom
- Google Meets
- Instructional Videos
